

## 2010-11 Friends of Homer Wrestling Pin Pledge

Friends of Homer Wrestling is an organization that exists to support Homer Wrestlers. One hundred percent of funds raised are used to benefit the wrestling program. The sources of our capital include: can and bottle drives, chicken barbecues, car washes, wrestling merchandise sales, concession stand proceeds, donations and anything else that will generate revenue we can direct toward making wrestling for Homer a first class experience. This year Friends funds supplement the uniform costs for all program levels from our youth wrestling through the varsity; provide the awards and recognition at season end; help defray costs of clinics and camps for skill development.

This season we are sponsoring the Homer Wrestling Pin Pledge to help raise funds for a team camp experience next summer. We welcome you to use the form below to pledge a monetary amount for each pin recorded by a Homer Varsity Wrestler in a dual meet or in League, Sectional, or State Tournament competition. Only varsity pins count – no tech falls, no forfeits or defaults. At the end of the season members of the Pin Pledge Pool will be notified of the total amount for pledge payment.

*(FYI – The schedule includes 2 dual meet tournaments, 9 dual meets and the season end individual sectional tournaments. With a roster that covers 11 or 12 weight classes that would generate approximately 250 individual varsity bouts.)*

To add a little sporting interest there is a place on the form for you to guess the total pins for the season. If your guess is the closest among all Pin Pledge Participants at season's end you will win a cash prize equal to \$1 per pin.
